Teaching to Mastery

Dr Yeap Ban Har

Teaching for Mastery – Lesson Study

Lesson study is one of the most effective forms of CPD for teachers. We are pleased to offer an opportunity for colleagues to take part in one led by one of the world's foremost educators – Yeap Ban Har.

Ban Har is a leading expert in teaching for mastery and an accomplished and inspirational trainer. This is a rare opportunity to see the planning and delivery of a mastery lesson and reflection afterwards. The afternoon will be spent exploring mastery pedagogy.

Agenda

Planning for Mastery
Observation of Lesson
Post lesson Reflection
Teaching for Mastery – Key
Pedagogical Principles

Cost: £215 + VAT per person
